Preliminary Injunction Order

Plaintiff XiaoQian Zhao (“Plaintiff” or “Zhao”) filed a Renewed Motion for Entry of a Preliminary Injunction [Dkt. 25] (the “Motion”) against Defendant Nos. 1-53 and 55-69 (the “Defendants”) using at least the online marketplace accounts identified in Schedule A to the Complaint (the “Defendant Internet Stores”). After reviewing the Motion and the accompanying record, this Court GRANTS Plaintiff’s Motion as follows.

This Court finds Plaintiff has provided notice to Defendants in accordance with the Temporary Restraining Order entered July 21, 2023, [Dkt. 14] (“TRO”), and Federal Rule of Civil Procedure 65(a)(1).

This Court also finds, in the absence of adversarial presentation, that it has personal jurisdiction over Defendants because Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defendants have targeted and completed sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products using unauthorized and infringing versions of Plaintiff’s federally registered copyright, which are protected by U.S

Copyright Registration No. PA 2-413-422 (the “Plaintiff Work”) to residents of Illinois. In this case, Plaintiff has presented screenshot evidence that each Defendant ecommerce store is reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents have purchased or can purchase products using infringing versions of the Plaintiff Work which includes screenshot evidence confirming that each Defendant e-commerce store does stand ready, willing and able to ship, or has shipped, its unauthorized goods to customers in Illinois bearing infringing versions of the Plaintiff Work. [Dkt. 8].

This Court also finds that the injunctive relief previously granted in the TRO should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of Plaintiff’s previously granted Motion for Entry of a TRO establishes that Plaintiff has demonstrated a likelihood of success on the merits; that no remedy at law exists; and that Plaintiff will suffer irreparable harm if the injunction is not granted.

Specifically, Plaintiff has proved a *prima facie* case of copyright infringement because: (i) the Plaintiff Work is registered with the U.S. Copyright Office; (ii) Defendants are not licensed or authorized to use the Plaintiff Work; and (iii) Defendants’ use of the Plaintiff Work is causing a likelihood of confusion as to the origin or sponsorship of Defendants’ products with Plaintiff. Furthermore, Defendants’ continued and unauthorized use of the Plaintiff Work irreparably harms Plaintiff through diminished goodwill and brand confidence, damage to Plaintiff’s reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, Plaintiff has an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants’ actions. Accordingly, this Court orders that:

1. Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them be preliminarily enjoined and restrained from:
 - a. reproducing, distributing copies of, making derivative works of, or publicly displaying the Plaintiff Work in any manner without the express authorization of Zhao;
 - b. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control, or supervision of Zhao, or are sponsored by, approved by, or otherwise connected with Zhao; and
 - c. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Zhao, nor authorized by Zhao to be sold or offered for sale, and which bear any of Zhao's copyrights, including the Plaintiff Copyright, or any reproductions, counterfeit copies, or colorable imitations.
2. Defendants and any third party with actual notice of this Order who is providing services for any of the Defendants, or in connection with any of the Defendant Online Stores or other online marketplace accounts operated by Defendants, including, without limitation, any online marketplace platforms such as Amazon, eBay, web hosts, sponsored search engine or ad-word providers, credit cards, banks, merchant account providers, third party processors and other payment processing service providers such as PayPal, AliPay, Payoneer, Skrill, Ping Pong, and Amazon Payments, and Internet search engines such as Google, Bing and Yahoo (collectively, the "Third-Party Providers") shall, within five (5) business days after receipt of such notice, provide to Zhao expedited discovery, including copies of all documents and records in such person's or entity's possession or control relating to:

- a. the identities and locations of Defendants, their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them, including all known contact information, including any and all associated e-mail addresses;
 - b. the nature of Defendants' operations and all associated sales, methods of payment for services and financial information, including, without limitation, identifying information associated with the Defendant Online Stores and Defendants' financial accounts, as well as providing a full accounting of Defendants' sales and listing history related to their respective Defendant Online Stores;
 - c. any of the Defendant Online Stores;
 - d. any other online marketplace accounts registered by Defendants; and
 - e. any financial accounts owned or controlled by Defendants, including their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, PayPal, AliPay, Payoneer, Skrill, Ping Pong, and Amazon Payments, or other merchant account providers, payment providers, third party processors, and credit card associations (*e.g.*, MasterCard and VISA).
3. Those in privity with Defendants and those with notice of this Order, including the Third-Party Providers as described in Paragraph 2, shall within five (5) business days after receipt of such notice:
 - a. disable and cease providing services being used by Defendants, currently or in the future, to engage in the sale of goods using the Plaintiff Work;

a link to said website. The combination of providing notice via electronic publication and e-mail, along with any notice that Defendants receive from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.

7. Schedule A to the Complaint [Dkt. 6-1], Exhibit 1 to the Complaint [Dkt. 6-2], Declaration of XiaoQian Zhao [Dkts. 8, 8-1, and 8-2], the TRO [Dkt. 14] are unsealed.
8. The ten-thousand-dollar (\$10,000) bond posted by Plaintiff shall remain with the Court until a final disposition of this case or until this Preliminary Injunction is terminated.
9. Any Defendants that are subject to this Order may appear and move to dissolve or modify the Order as permitted by and in compliance with the Federal Rules of Civil Procedure and the Northern District of Illinois Local Rules. Any third party impacted by this Order may move for appropriate relief.
