**SEALED TEMPORARY RESTRAINING ORDER**

Plaintiff Yiwu Mode E-Commerce Co. Ltd. (“Plaintiff”) filed ex parte Motions for Entry of a Sealed Temporary Restraining Order and Motion to Seal and for Electronic Service of Process (the “Motions”) against the fully interactive, e-commerce stores<sup>1</sup> operating under the seller aliases identified in Schedule A to the Complaint and Schedule A attached hereto (collectively, “Defendants”) and using at least the alias names identified and the online marketplace accounts identified in Schedule A (the “Online Marketplaces”). After reviewing the Motions and the accompanying record, this Court GRANTS Plaintiff’s Motions as follows.

This Court finds, in the absence of adversarial presentation, that it has personal jurisdiction over Defendants because Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products using infringing and counterfeit versions of

---

<sup>1</sup> The e-commerce store URLs are listed on Schedule A hereto under the Online Marketplaces.

Plaintiff's federally registered U.S. Patent D981,507 to residents of Illinois. In this case, Plaintiff's has presented screenshot evidence that each Defendant e-commerce store is reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can and do purchase products infringing Plaintiff's patent without authorization. [Dkt. 2], which includes screenshot evidence confirming that each Defendant internet store does stand ready, willing and able to ship its goods to customers in Illinois infringing Patent D981,507.

This Court also finds that issuing this Order without notice pursuant to Rule 65(b)(1) of the Federal Rules of Civil Procedure is appropriate because Plaintiff's has presented specific facts in the Declaration of Christopher Ktenas in support of the Motions and accompanying evidence clearly showing that immediate and irreparable injury, loss, or damage will result to the movant before the adverse party can be heard in opposition. Specifically, in the absence of an ex parte Order, Defendants could and likely would move any assets from accounts in financial institutions under this Court's jurisdiction to off-shore accounts. Accordingly, this Court orders that:

- 1.** Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them be temporarily enjoined and restrained from:
  - a.** further infringing U.S. Design Patent D981,507 and damaging Plaintiff's patent rights;
  - b.** manufacturing, importing, distributing, offering for sale, or selling the any knock-off and copycat products, i.e., iron frame and any colorable variations thereof (the "Infringing Products") into or within the United States and her territories;

- c. shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, the Infringing Products;
  - d. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Plaintiff, nor authorized by Plaintiff to be sold or offered for sale, and which infringe Plaintiff's patent;
  - e. otherwise competing unfairly with Plaintiff in any manner;
  - f. using, linking to, transferring, selling, exercising control over, or otherwise owning the Internet Store accounts or any other online marketplace account that is being used to sell or is the means by which Defendants could continue to sell the Infringing Products; and
  - g. operating and/or hosting any website or marketplace account for or on behalf of Defendants that are involved with the distribution, marketing, advertising, offering for sale, or sale of Infringing Products.
- 2. Defendants shall not transfer or dispose of any money or other of Defendants' assets in any of Defendants' financial accounts until further ordered by this Court, except by written agreement with Plaintiff.
- 3. Plaintiff is authorized to issue expedited written discovery to Defendants, pursuant to Federal Rules of Civil Procedure 33, 34, and 36, related to:
  - a. the identities and locations of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including all known contact information and all associated e-mail addresses;

- concert or participation with them, including all known contact information and all associated e-mail addresses;
- b.** the identities of and all contact information, including any email addresses related to Defendants listed on Schedule A and any entities having any ownership or control over the Amazon.com marketplace stores operated by the Defendants;
  - c.** the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with the online marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their respective online marketplaces;
  - d.** any Amazon.com marketplace accounts owned, operated, or controlled by said Defendants and their officers, affiliates, agents, and/or employees; and any Amazon.com marketplace accounts owned, operated, or controlled by said Defendants and their officers, affiliates, agents, and/or employees;
  - e.** records of the sales of Defendants' Infringing Products, as identified by their respective ASINs as set forth in Schedule A; and
  - f.** any financial accounts owned or controlled by Defendants, including their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, PayPal, Alipay, Wish, Alibaba, Ant Financial, Amazon Pay, or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).

5. Upon Plaintiff's request, those with notice of this Order, including the Third-Party Providers as defined in Section 4, shall within five (5) business days after receipt of such notice, disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of counterfeit and infringing goods using the Plaintiff patent.
6. Any entities with actual notice of this order, including any banks, credit card companies, or payment processing companies including Third-Party Providers, shall, within three (3) business days of receipt of this Order:
  - a. locate all accounts and funds connected to Defendants' seller aliases, including, but not limited to, any financial accounts connected to the information listed in Schedule A hereto, and any e-mail addresses provided for Defendants by third parties; and
  - b. restrain and enjoin any such accounts or funds from transferring or disposing of any money or other of Defendants' assets until further order by this Court, including allowing the transfer of any accounts and/or funds internationally.
7. Plaintiff may provide notice of these proceedings to Defendants, including service of process pursuant to Fed. R. Civ. P. 4(f)(3), by electronically publishing a link to the Complaint, this Order and other relevant documents on a website and by sending an e-mail, to the e-mail addresses identified by third parties, that includes a link to said website. The Clerk of the Court is directed to issue a single original summons in the name of "The Individuals, Partnerships, and Unincorporated Associations Identified on Schedule A" that shall apply to all Defendants. The combination of providing notice via electronic publication and e-mail, along with any notice that Defendants receive from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.

8. Plaintiff's Exhibits and Schedule A to the Complaint and Declaration and exhibits Plaintiff's motion for entry of temporary restraining order [Dkts. 2, 3,] and this Order shall remain sealed until further order by this Court or until the Order expires, whichever occurs earlier.
9. Within seven (7) calendar days of entry of this Order, Plaintiff shall deposit with the Court \$10,000.00, either cash or surety bond, as security, which amount has, in the absence of adversarial testing, been deemed adequate for the payment of such damages as any person may be entitled to recover as a result of a wrongful restraint hereunder.
10. This Temporary Restraining Order without notice is entered at 9:00 A.M. on this 1st day of February 2024 and shall remain in effect for fourteen (14) calendar days.
