You won't receive 12 different colors

TAG1031

The item was described as 12 different colors, but I only three colors: red, green and silver. Six red, three green, two silver and was disappointed.

pam

Love these inking my artwork, with these work well. Even though they are a cheaper version.

TAG1031

You won't receive 12 different colors

The item was described as 12 different colors, but I only three colors: red, green and silver. Six red, three green, two silver. The description clearly says: "There are 12 different colors together. " The stamp quality isn't great and was disappointed.
